Music and Movies in the Park

The City of Sequim is seeking community partners (businesses and individuals) to sponsor the 2011 Music and Movies in the Park series. This is the sixth year for this program that takes place at 6:00 p.m. at the James Center for the Performing Arts on Tuesday evenings throughout the summer. We hope to be able to show movies after three concerts. The goal is to run the program from late June through early September.

Sponsorship opportunities include:

- One music concert and movie event \$3,000
- One movie event \$2,600
- One week music concert \$400
- Any amount you choose

Sponsors will be announced at each event and will be included in any advertising for the program, including newspaper, fliers and inclusion on the City of Sequim website. Sponsors will also be advertised on the big screen prior to the movie. Sponsors donating \$300 or more are invited to display a banner or flag at the park during the event. Donations of any size are accepted and greatly appreciated.

The program is made possible by the generous support of community sponsors. The City of Sequim thanks those who have served as sponsors in the past and is looking forward to continued support this year.

For more information contact City Clerk, Karen Kuznek-Reese at 681-3428.

The Sequim K-9 program is funded through donations. 100% of donations made to the "Sequim Police Department K-9 Program" go directly to the program.
